

**CITY OF SHAFER
CHISAGO COUNTY STATE OF MINNESOTA**

**RESOLUTION 2021-10-2 CITY COUNCIL RESCINDING THE LOCAL EMERGENCY
WITH RESPECT TO WATER USAGE IN THE CITY**

WHEREAS, the unusually hot summer weather combined with the long-term weather forecast had resulted in large increase in water usage in the City of Shafer (the "City"); and the on August 2, 2021 Council had enacted Resolution 2021-8-2 announcing watering restrictions that went into effect on August 5, 2021;

WHEREAS, on September 22, 2021 the MN Dept of Natural Resources advised that, as the Water Supplier for the City of Shafer, we may relax our Local Emergency with Respect to Water Usage in the City, Resolution 2021-8-2, if our water supply situation is sustainable;

WHEREAS, the City of Shafer Public Works Department agrees that the city's water supply situation is sustainable;

WHEREAS, the City Council desires to rescind Resolution 2021-8-2 in its entirety and lifts all watering restrictions as stated in Resolution 2021-8-2;

NOW, THEREFORE, as the Council of the City of Shafer, Minnesota, we declare that a local emergency no longer exists with respect to water usage in the City effective immediately in the City of Shafer, Minnesota.
