

Shafer Days

October 3, 4, and 5, 2008

Volunteers Are Needed

Each year Shafer Days is getting more attention. As everyone knows, a lot of effort and preparation goes into putting on an event. Many volunteers are needed to coordinate and work many different fun events. A large spectator event will be put on by The Gopher State Garden Tractor Pullers on Saturday, October 4th. Many other events will need volunteers to organize: Games, family Bike/Walk, Food and Craft Vendors, Kids-Teens-Adults Bake off, Tug of War, Bingo, etc.

If you have the time and ability to make Shafer Days a great success, please contact Roxanne at 257-4726. Shafer Days Committee meetings will be held on August 6th in the Public Works building, August 21st in the City Hall, September 3rd held in the Public Works building, September 18th and 29th held in the City hall at 7:00 pm and everyone is invited to attend for information and involvement. Your ideas are greatly appreciated.
